

Hudson Urban Forestry Board

7th Annual Tree of the Year Sale

Our goal is to promote tree diversity in the St. Croix River Valley

For the 2022 Tree of the Year sale, the City of Hudson has partnered with the Hudson Daybreak Rotary & Willow River Tree Farm to offer high quality bare root trees at a low price. All purchases will be made through the Hudson Daybreak Rotary Club and picked up at Willow River Tree Farm (see order form).

Red Splendor Crabapple, *Malus 'Red Splendor'*, is a smaller stature tree, maturing to 20 ft in height and width. Fragrant and plentiful pink blossoms form in the spring and turn to red fruit in the summer, which attracts birds. It grows best in well drained soils and full sun.

St. Croix Elm, *Ulmus Americana*, needs room to grow, reaching 75 ft high and 70 ft wide. Exceptional tolerance to Dutch Elm Disease, this tree has a grand vase shape and open spread canopy offering lots of shade. Summer foliage is a beautiful dark green turning into bright yellow in the fall. Prefers full sun.

Tree(s) must be **pre-paid**. There are NO cancellations or refunds. Forms and payment can be mailed to;

Hudson Rotary
PO Box 48
Hudson, WI

Trees will be available to pick up on April 23, 24, 30, or 31 during normal business hours at Willow River Tree Farm, 850 Kelly Rd., Hudson, WI.

FORMS ARE DUE BY APRIL 15TH, 2022
